**RE: GREATER WOODSTOCK BASEBALL ASSOCIATION
To Sponsor 9 year-old CABA Team**

Dear Player & Parents:

As many of you are aware, the GWBA will sponsor a 9-year-old Woodstock Baseball team that will participate in the 2006 CABA World Series. Recently, the opportunity to field a new team was created by CABA and the Lightning Baseball organization, an affiliate of GWBA was contacted, and the concept was discussed.

Next, Mike Turner and Greg Behning of the Lightning Baseball contacted Woodstock Little League, and met with representatives of the GWBA for a review of the CABA Program. After meeting with Mike and Greg, it was agreed by the GWBA the opportunity for Woodstock to be represented would be beneficial for *all* of Woodstock youth.

CABA enjoys an excellent *nationwide* reputation for quality and exciting baseball at the next level. Attending players, parents and fans are encouraged to enjoy the opportunity to meet and exchange greetings with all attendees – now in excess of 50,000 people, while watching some great baseball.

The GWBA will announce in the weeks ahead details regarding player try-outs and more information regarding the CABA World Series. For more information, visit on-line:
